

SPECIALTY

Water Heaters Reliance®

The Specialty Electric group contains Mobile Home, Compact, and Point-of-Use models.

MOBILE HOME

- All models meet HUD requirements for manufactured housing/mobile home installation
- Side-mounted cold water inlet and hot water outlet for easy installation
- 6-year tank and parts limited warranty
- Glass-lined tank with anode rod protects against corrosion
- Factory-Installed Temperature & Pressure (T&P) Relief Valve

COMPACT

- Ideal for under-counter or crawl space installation
- Inlet and outlet connections on side for easier installation in tight spaces; optional top connection points
- All models 120 volt unless specified otherwise; 1 heating element – 2 elements available on 30-gallon models
- 6-year tank and parts limited warranty
- Glass-lined tank with anode rod protects against corrosion
- Factory-Installed Temperature & Pressure (T&P) Relief Valve

POINT-OF-USE

- For low-demand point-of-use applications, such as a handwashing sink
- 6-year tank; 1-year parts warranty
- Stainless steel heating element
- 120 volt; standard plugged cord
