Reliance Water Heaters

ELECTRIC
SMART/CONNECTED 9-YEAR

- **Available in 40- and 50-Gallons**

- **Leak Detection**
  Smart technology immediately alerts you of a leak

- **Automatic Water Shut Off Valve**
  Automatically shuts off water supply when a leak is detected (Optional Accessory)

- **iCOMM™ WiFi Connectivity**
  Get notifications and manage your water heater from your smartphone

- **Electronic User Interface**
  Easily set temperature, operating mode, and child safety lock feature

- **Advanced Tank Protection**
  Extends the life of your water heater

- **Enhanced Heating Elements**
  Copper upper and stainless steel lower elements for fast recovery and reliable operation

- **Electronic Thermostat**
  Superior to conventional electromechanical thermostats by having no moving parts to wear out.

- **Dry Fire Protection**
  Will not allow the water heater to be turned on unless the tank is full of water, eliminating accidental damage to the elements
