Recovery values shown are rounded to nearest gallon and at a 90° F temperature rise.  
Dimensions shown for height and diameter are in inches.  
Reliance Water Heater Company reserves the right to make product changes or improvements without prior notice.

**616 ADVANTAGE provides premium features in a standard product:**

- Higher quality elements resist lime buildup, which helps maintain element heating efficiency and extends element life
- Sediment reducing dip tube helps extend the life of the tank and elements
- One year warranty on labor
