Reliance.

Reliance[®] Electric Tankless Water Heaters are compact, easy to install, and offer instant and continuous hot water when sized appropriately.

- 5-Year Limited Warranty Heating Chamber 1-Year Limited Parts Warranty[†]
- Available in 12.2kW 32kW
- Works with low flow fixtures activates at 0.25 GPM
- Scale Reduction Technology extends heater life
- Nearly silent operation
- Easily Installs wall mount
 Compact design ideal for tight spaces
 3/4" NPT water connections
- Dry-Fire protection guards against element failure
 Internal air bypass fills chamber
 Air infiltration monitoring with temporary shutdown

- Advanced electronic control system Provides consistent temperature output even as demand varies
 Guards against light flicker/dimming
 Self-Diagnostics with leak detection shutdown
 Easy to use user interface with LCD display*
 Visually displays current temperature, setpoint, operational and diagnostics information*
- Ease of maintenance No moving parts
 Standard tank-type elements can be replaced with unit in place

[†]For complete information consult written warranty *2- and 4-element models
